Membership Renewal or Upgrade

Renewal or Upgrade Step by Step: (Page 2 of 2)

- Your web browser will be automatically redirected to Paypal where you may either **pay** using an existing Paypal account **or pay** using a Visa or Mastercard credit card.
 - *Note 1: The Credit Card payment option is located on the Paypal screen below the PP login so scroll down and find the button which says Pay with a Credit Card.*
 - *Note 2: When using a Credit Card, the Paypal window will request various information to ensure that you are the authorized user of the card. This includes but is not limited to the street address registered with your card.*
 - *Note 3: Even though Paypal will offer you the opportunity to create your own Paypal account for future use, you are under no obligation to do so and refusing to create a Paypal account will not have any impact on your ability to pay with the credit card.*

- Following confirmation from Paypal that the payment has been made, scroll down further on the page until you find the button which says **Return** to Merchant. This will take you back to the RCC web site.

- Your RCC renewal will be confirmed via e-mail to the address you provided with your membership and your web browser will display a screen confirming a successful payment.

- Should you have any problems with the process, please use the Contact Us button on the Main Menu to describe the problem and we will investigate for you
